

Arizona 2012 General Election Voter Guide

About General Election Endorsements

Humane Voters of Arizona (HVA) does not provide endorsements for all legislative districts. In some district races HVA either does not recommend any of the candidates, or does not have information about the candidates. In such cases HVA has made no endorsements. In races in which HVA is making endorsements, those recommendations are based on legislative report cards for 2012 and past years and questionnaires. Please note that we only have legislative report cards for incumbents, and we only have questionnaires for candidates who have responded to our request. Voting records, when available, are given more weight than questionnaire responses.

If you have questions or comments, please contact us at humanevotersarizona@cox.net. Please remember that HVA is a nonpartisan, all volunteer organization, and volunteers will endeavor to respond as quickly as possible. By law HVA cannot endorse federal candidates. For federal general election endorsements visit the Humane Society Legislative Fund at www.hslf.org.

Ballot Proposals

NO on Proposition 120

Proposition 120 is a proposed constitutional amendment referred to the ballot by the Arizona Legislature. It asserts “state sovereignty” over federal public lands in Arizona and establishes that the state has exclusive authority and jurisdiction over air, water, public lands, and wildlife in the state. The intent is to gain control of national parks, forests, and wildlife refuges in Arizona and undermine protections provided by federal laws, including the Endangered Species Act. Prop 120 is unconstitutional and extreme, and could have devastating impact on wildlife and habitat. HVA recommends you vote NO on Prop 120.
