Arizona Legislative Candidate Questionnaire

Q11: Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

Comments

As a horse rancher, I am very concerned about cruelty to horses, however, one person's cruelty claims are another person's training techniques. I would like to look closer at the terminology/language of a bill that would address this issue

PAGE 5: COMPANION ANIMALS

Q12: Would you support legislation to require registration, oversight and/or standards of care for animals in boarding facilities and breeding kennels?
