PAGE 4: FARM ANIMALS

<p>Q11: Do you support removing farm animals and horses from protection under Arizona’s animal cruelty law and placing them under new, weaker laws in the agriculture code?</p>	<p>Comments I strongly believe in the healthy and appropriate treatment of animals... Be it pets or farm raised. I am also a strong supporter for small to mid to large business that brings in much needed jobs. I would need to read the full bill that would/might/could be introduced to the floor when elected. I will then vote according to what is best for my district as I am only the voice of the district and not the dictator. I wish to only vote for what is to benefit my district first then the state second.</p>
