

Arizona 2014 Legislative Primary Election Voter Guide

About Primary Election Endorsements

Humane Voters of Arizona (HVA) is an all volunteer, non-partisan organization that supports candidates who care about animals and animal protection. HVA does not provide endorsements for all legislative districts. In some district races HVA either does not endorse any of the candidates, or does not have information about the candidates. In such cases HVA has made no endorsements. In races in which HVA is making endorsements, those endorsements are based on a nonpartisan basis, considering legislative report cards and questionnaires. Please note that we only have legislative report cards for incumbents and former legislators, and we only have questionnaires for candidates who have responded to our request. Voting records, when available, are always given more weight than questionnaire responses. In races where there are no HVA endorsements, please refer to legislative reports (for incumbents and former legislators) and candidate survey responses.

This endorsement list will be updated for the general election. If you are willing to volunteer to contact candidates who have not returned questionnaires or if you have questions or comments, please contact us at humanevotersarizona@cox.net. By law HVA cannot endorse federal candidates. For federal primary election endorsements visit the Humane Society Legislative Fund at www.hslf.org
