YES

PAGE 9: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

Q17: Do you support Arizona's public initiative process?

YES

Q18: If YES, what steps would you take to protect our public initiative process?

I support the initiative process, but there must be rules for the ballot proposal such as identifying direct costs and where the money would come from. And, a sunset clause and review after a period of years to ensure the revenue source still covers the cost of the legislation and the original intent is still being met.
