PAGE 4: FARM ANIMALS

Arizona Legislative Candidate Questionnaire

Q11: Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

Comments

I would not want any animal to be abused in any way! However, I think Peta goes way over board. I would like to think that I would any animal from abuse!

PAGE 5: COMPANION ANIMALS

Q12: Would you support legislation to require registration, oversight and/or standards of care for animals in boarding facilities and breeding kennels?

NO,

Comments

have had many animals and I had to kennel them from time to time. I check references, toured the facility and spoke to many many people before I would have a kennel even groom my dog. I believe that pet owners and farmers need to be responsible for evaluating any facility that would handle their pet for any reason

PAGE 6: ANIMAL CONTROL

Q13: Do you believe that Arizona should have more uniform animal control laws to prevent inhumane treatment of animals?

NO,

Comments

I believe that the pet or livestock owners should be personally responsible for any animal they own. Farmer generally look out for each other and live by a code that tells them abuse is not right. People kill people in the most cruel ways! This is as unacceptable as abusing animals of any kind.

PAGE 7: WILDLIFE AND HABITAT

Q14: Do you support a process that includes less than 1% of hunters & anglers and limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process?

NO,

Comments

There should always be fair representation on any board.

Q15: Do you believe that SB 1200 should be repealed?

YES

PAGE 8: GREYHOUND RACING

Q16: Would you support legislation to repeal multi-million dollar tax breaks to dog tracks?

NO,

Comments

I would however make sure this track in Tucson is closed for their animal abuse. Everyone is not alike.
