2018 Arizona Legislative Candidate Questionnaire

Q8 Have you ever been involved in any animal protection issues?

YES,

Comments:

I strongly feel that all life matters. Protecting animals has always been a big issue for me. I have been actively involved in environmental issue most of my life and that includes animal protection.

Q9 Do you have, or have you had in the past, any companion animals that have had an impact on you?

YES,

Comments:

I am a proud grandmother of two incredible granddogs. I currently do not have pets of my own, but enjoy my granddogs.

Q10 Do you financially or philosophically support any local or national animal protection organizations?

YES,

If so, which ones?:

I have supported many animal protection causes.

Page 4: FARM ANIMALS

Q11 Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

NO,

Comments:

I also would not support any law that would override the rights of local government to address issues facing their communities.

Page 5: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

Q12 Do you support Arizona's public initiative process?

YES

Q13 If YES, what steps would you take to protect citizen initiatives?

The initiative process is where the real work gets done. For many years our legislature has failed to take action on important issues, and the citizen's initiative process has been the mechanism to make the changes that we need. I am very concerned about the efforts to limit the initiative process. I am deeply disappointed that the wild cat initiative did not reach the ballot. These new rules on strict compliance restrict our rights to the initiative process.

Page 6: ANIMAL CRUELTY LAW

Q14 Do you support strengthening Arizona's animal cruelty laws to correct loopholes that make it difficult to prosecute animal abusers?

YES

Page 7: WILDLIFE AND HABITAT

Q16 Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed? **YES**
