## PAGE 4: FARM ANIMALS

# Arizona Legislative Candidate Questionnaire

**Q11: Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?**

Comments

I would not support HB 2587 or bills that would weaken animal protection laws.

## PAGE 5: COMPANION ANIMALS

**Q12: Would you support legislation to require registration, oversight and/or standards of care for animals in boarding facilities and breeding kennels?**

YES

## PAGE 6: ANIMAL CONTROL

**Q13: Do you believe that Arizona should have more uniform animal control laws to prevent inhumane treatment of animals?**

YES,

Comments

While I can't say that I would want to force such controls via the legislature, as I believe in local control, I would work in favor of unifying animal control laws. I do believe that more can be done to control back yard breeding of dogs while funding more spay and neuter program.s

YES

## Arizona Legislative Candidate Questionnaire

**Q18: If YES, what steps would you take to protect our public initiative process?**

I have always stood by the initiative process, despite efforts to undermine it. I will continue to do that in my private voting and in public votes.
