## PAGE 9: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

**Q17: Do you support Arizona's public initiative process?**

YES

**Q18: If YES, what steps would you take to protect our public initiative process?**

Yes, however, some initiatives can be quite damaging to the welfare and the ability to manage the affairs of the state - I would likely support some initiatives but be opposed to others, the process gives authority to the people and I like that option, I just regret that the methods used to influence the voters is not always truthful and many voters are not well informed or interested.
