2018 Arizona Legislative Candidate Questionnaire

Q8 Have you ever been involved in any animal protection issues?

YES,

Comments:

I volunteered and rescued my little Renzo from the Arizona Animal Welfare League.

Q9 Do you have, or have you had in the past, any companion animals that have had an impact on you?

YES,

Comments:

Renzo (Italian Grayhound) was rescued in '04 and has brought love and warmth to my life ever since. I never had a dog before Renzo and he absolutely changed my life. That little guy helped me through some tough times in my life.

Q10 Do you financially or philosophically support any local or national animal protection organizations?

YES,

If so, which ones?:

Not currently but I have supported the Arizona Animal Welfare league in the past.

Page 4: FARM ANIMALS

Q11 Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

NO

Page 5: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

Q12 Do you support Arizona's public initiative process?

YES

Q13 If YES, what steps would you take to protect citizen initiatives?

I think we need to strip the strict compliance component, what's good for candidate petitions should be good for initiatives/ referendums.

I also think on the paid petition gathering side that the shift from pay per signature to pay per hour has had quite a bit of problems associated with forgery this past initiative cycle.

Page 6: ANIMAL CRUELTY LAW

Q14 Do you support strengthening Arizona's animal cruelty laws to correct loopholes that make it difficult to prosecute animal abusers?

YES

2018 Arizona Legislative Candidate Questionnaire

Q15 Do you support a process that limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process?

NO,

Comments:

I'm a registered Architect that is licensed by the Board of Technical Registration so I have some familiarity with board and commissions. I do think it's important to have diverse and fair/ balanced voices on these boards.

Q16 Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed?

YES,

Comments:

Learning about this was news to me, I am curious if other state boards/ commissions have a recommendation body. The Board of Technical Registration that licenses me does not have this component, the Governor makes the appointment.

Page 8: ENDANGERED WOLVES

Q17 Do you support legislation that weakens protection for endangered Mexican gray wolves?

NO,

Comments:

The Mex gray wolf is a critical component to our States eco system.

Page 9: CAPTIVE DOLPHINS IN ARIZONA

Q18 Do you support captive dolphin programs for human entertainment?

NO,

Comments:

I visit the Caribbean once a year and scuba dive regularly, I prefer to swim with dolphins in their natural environment. I'm horrified at some of the stories I have heard out of Scottsdale recently.

Page 10: ANIMAL CONTROL

Q19 Do you believe that Arizona should have more uniform animal control laws to prevent inhumane treatment of animals?

YES
