## PAGE 3: BACKGROUND INFORMATION

<b>Q6: Have you ever been involved in any animal protection issues?</b>	<p>YES,</p> <p>Comments I publicly supported Arizona ballot proposition banning steel jaw traps.</p>
<b>Q7: Do you have, or have you had in the past, any companion animals that have had an impact on you?</b>	<p>YES,</p> <p>Comments All of them - animals have always been part of my life from childhood on. But if I had to choose one in particular it would be a stray Sheppard mix named Rambunctious. A smart wonderful loyal companion.</p>

**Q8: Do you financially or philosophically support any local or national animal protection organizations?**

YES,

If so, which ones?

YES. I believe in animal rights. Locally I have supported Feathers Foundation whose work includes bird, dog and horse rescue. I was active and part of the advisory board for Liberty Wildlife Foundation. Also I was pleased to recently be part of the kickoff for Pima County's Prop 415 -- Pets Are Worth Saving (PAWS) campaign in support of a new county animal care facility.

**Q9: Do you support Arizona's public initiative process?**

YES

**Q10: If YES, what steps would you take to protect our public initiative process?**

My opponent wrote and pushed through the legislature, HB 2305, the bill you are referring to. I oppose unnecessary increases to the number of signatures citizen initiatives need to collect. As Secretary of State, I would fight for common sense election reforms that put citizens, not lobbyists, first.
