**Q8 Have you ever been involved in any animal protection issues? NO**

---

2018 Arizona Legislative Candidate Questionnaire

**Q9** Do you have, or have you had in the past, any companion animals that have had an impact on you?

**YES,**

Comments:

We had a cat named Tom when I was a child. My brother and I took care of him and I have many fond memories from that time.

---

**Q10** Do you financially or philosophically support any local or national animal protection organizations?

**NO**

---

Page 4: FARM ANIMALS

**Q11** Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

**NO**

---

Page 5: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

**Q12** Do you support Arizona's public initiative process?

**YES**

---

**Q13** If YES, what steps would you take to protect citizen initiatives?

The standard for initiatives should be returned to substantial compliance. Invalidating signatures because they go slightly outside the box is silly and an obvious attempt to make the process less likely to succeed. The truth is if our legislature did a better job, citizens would not need to be constantly collecting signatures to protect our state.

Page 6: ANIMAL CRUELTY LAW

**Q14** Do you support strengthening Arizona's animal cruelty laws to correct loopholes that make it difficult to prosecute animal abusers?

**YES**

---

Page 7: WILDLIFE AND HABITAT

**Q15** Do you support a process that limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process?

**NO**

---

**Q16** Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed?

**YES**

---

**Q17** Do you support legislation that weakens protection for endangered Mexican gray wolves? **NO**

---

Page 9: CAPTIVE DOLPHINS IN ARIZONA

**Q18** Do you support captive dolphin programs for human entertainment?

Comments:

I would need more information on this particular topic. Objective information of the effects on the dolphins, how they are procured, what their life would be like if they were not part of this exhibit, etc. I do not think our entertainment outweighs the health & well-being of an animal, but do not have enough information to give a firm yes/no on this.

Page 10: ANIMAL CONTROL

**Q19** Do you believe that Arizona should have more uniform animal control laws to prevent inhumane treatment of animals?

**YES**
