**Q8** Have you ever been involved in any animal protection issues? **NO**

---

2018 Arizona Legislative Candidate Questionnaire

**Q9** Do you have, or have you had in the past, any companion animals that have had an impact on you?

**YES,**

Comments:

I have always had cats I've rescued and love them dearly. I also currently have a dog my spouse and I rescued 10 years ago. The question that I sometimes see on bumper stickers, "who rescued who" is very appropriate.

**Q10** Do you financially or philosophically support any local or national animal protection organizations?

**YES,**

If so, which ones?:

I have given to a variety of animal protection organizations to include the Humane Society, the American Society for the Prevention of Cruelty to Animals, and various animal shelters.

Page 4: FARM ANIMALS

**Q11** Do you support removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

**NO**

---

Page 5: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

**Q12** Do you support Arizona's public initiative process?

**YES**

**Q13** If YES, what steps would you take to protect citizen initiatives?

This is part of my stump speech, that the initiative process is part of the unique history of Arizona. I would make the requirements for citizen initiative petitions no more stringent than that for candidate petitions.

Page 6: ANIMAL CRUELTY LAW

**Q14** Do you support strengthening Arizona's animal cruelty laws to correct loopholes that make it difficult to prosecute animal abusers?

**YES**

---

Page 7: WILDLIFE AND HABITAT

**Q15** Do you support a process that limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process?

**NO,**

Comments:

I believe that it is not the roll of government, by, for, and of the people to "limit" citizen involvement. It is that government's roll to encourage citizen involvement.

2018 Arizona Legislative Candidate Questionnaire

**Q16** Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed?

**YES,**

Comments:

The current Board was obviously created to be bias; however, I don't necessarily disagree with the concept, as long as all stakeholders are represented, including humane and animal protection organizations.
