PAGE 4: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

**Q9: Do you support Arizona's public initiative process?**

YES

**Q10: If YES, what steps would you take to protect our public initiative process?**

We may need to consider looking at reducing the number of signatures required to get an initiative online as the population of our state grows and the number of signatures required keeps increasing. In addition, I would like to see to ability to sign initiative petitions online just as you are now able to do with a candidate petition.
