

Arizona 2018 General Election Voter Guide

About General Election Endorsements

Humane Voters of Arizona (HVA) is an all-volunteer, non-partisan organization that supports state legislative candidates who care about animals and animal protection.

In races in which HVA is making endorsements, those endorsements are made on a non-partisan basis, considering HVA legislative reports and questionnaires. Please note that we only have legislative reports for incumbents and former legislators, and we only have questionnaires for candidates who have responded to our request. Voting records, when available, are always given more weight than questionnaire responses. Endorsements for incumbents are based on [2017](#) and [2018](#) legislative reports which are posted on the [HVA website](#).

The HVA Board approves all endorsements, which are based primarily on analyses of actions that candidates have taken in the past with regard to animal protection issues and on their stated positions on these issues. For candidates who do not have a historical record and have not provided written position statements, HVA has made no endorsements.

When making endorsements, HVA may also consider other factors including opposing candidates, PAC funding, and the climate of the legislative district. Some endorsed candidates do not have excellent voting records but would likely be better lawmakers on animal protection issues than their opponents.

In races where there are no HVA endorsements, please refer to legislative reports (for incumbents and former legislators) and [candidate survey responses](#), which are posted on the HVA website.

"Single-Shot" Voting: In Arizona House races voters choose two representatives for each legislative district. In LDs where HVA has endorsed only one candidate, please consider casting a single vote for the endorsed candidate, which will maximize their odds against opponents where votes are split.

For federal election endorsements visit the [Humane Society Legislative Fund](#), [Animal Wellness Action](#), or Sierra Club Grand Canyon Chapter [Voter Guide](#).

Be a Voice for Arizona's Animals by voting in the general election. Please share this voter guide with other animal advocates and encourage them to vote.

Candidates who support animal protection need your help! Please consider pitching in to help HVA elect animal-friendly legislators and to volunteer on their campaigns! If you can help, please contact us at humanevotersarizona@cox.net.
