Page 3: BACKGROUND INFORMATION

Q8

NO

Have you ever been involved in any animal protection issues?

Q9

Do you have, or have you had in the past, any companion animals that have had an impact on you?

YES,

Comments:

My wife and I adopted a dog found at Margaret Hance park for several months until we found a new owner. We were shocked to learn that the dog was chipped, and entirely home-trained, and the owner lived in San Francisco, and left the dog when their rent went up and could no longer afford to care for it. We opened our home to this dog for almost half-a-year, and I would have kept him longer but I am very allergic.

Q10

Do you financially or philosophically support any local or national animal protection organizations?

YES,

If so, which ones?:

I enjoy reading the blog of the Humane Society of the U.S.

Q11

Yes

If elected, would you be interested in sponsoring or working on legislation to protect animals?

Do you support the ability of law enforcement or animal control officers to seize animals who are in imminent danger of severe injury or death without a search warrant?

YES,

Comment:

This campaign season, I have also been endorsed by the Arizona Police Association and the State Troopers, so I would be willing to leverage these relationships to garner support for this type of legislation.

Page 7: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

YES

Do you support Arizona's public initiative process?

Q16

If YES, what steps would you take to protect citizen initiatives?

As a member of the Senate Elections committee, I am committed to protecting the citizen initiative process and I am opposed to any effort to weaken it or make it more challenging for the general public to file ballot measure initiatives.
