Phone Number

Page 3: BACKGROUND INFORMATION

Q8 **YES,**
Have you ever been involved in any animal protection issues? Comments:
I only adopt rescue dogs and am not a big fan of breeders.

Q9 **YES,**
Do you have, or have you had in the past, any companion animals that have had an impact on you? Comments:
I have a dog named Moxie I adopted in 2020 who had been clearly neglected. A month and a half after adopting her, she was pregnant. We adopted out 11 puppies and had to crowdfund surgery when she got sick from retaining two fetuses.

Q10 **YES,**
Do you financially or philosophically support any local or national animal protection organizations? If so, which ones?:
I support Almost Home, an organization that helps pregnant strays.

Q11 **Yes,**
If elected, would you be interested in sponsoring or working on legislation to protect animals? Comments:
Yes, animals deserve to be protected from harm and I would support legislation that protects animals.

Page 4: BAN ON CAT DECLAWING

Q12 **YES,**
Do you support legislation to prohibit non-therapeutic declawing of cats? Comment:
Yes, declawing cats can lead to more issues for the animal and we should want to protect them from harm.

Page 5: ARIZONA GAME & FISH COMMISSION

Q13 **YES,**
Do you oppose a process that limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process? Comments:
Yes, since the Game and Fish Commission is a public agency funded by the state, they should listen to the views of the people of Arizona and take them into consideration.

Q14

Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed?

YES,

Comments:

Yes, the current process allows special interest groups to have excessive power and exert undue influence on the Game and Fish Commission when the commission should be independent.

Page 6: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

Q15

Do you support Arizona's public initiative process?

YES

Q16

If YES, what steps would you take to protect citizen initiatives?

The legislature wants to make it so that initiatives need 60% support to pass and I would oppose that as well as oppose efforts to make it harder to collect the needed signatures.

Page 7: PUPPY MILLS

Q17

Would you support repealing the law that preempts cities from banning the sale of dogs from puppy mills?

YES,

Comments:

Yes, puppy mills can be inhumane for dogs and we should not want them to suffer.

Page 8: ENDANGERED MEXICAN WOLVES

Q18

Do you support keeping Mexican gray wolves in Arizona to help maintain healthy herds of deer and elk?

YES,

Comments:

Yes, having the Mexican gray wolves in Arizona will help foster a healthy ecosystem and allow for healthier deer and elk herds.

Q19

Do you support the protection of endangered species?

YES,

Comments:

Yes, endangered species serve important roles in their ecosystem.

Page 9: FARM ANIMALS

Q20

Do you oppose removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

YES,

Comments:

Yes, all animals - including those that live on farms - should be entitled to the same protections.
