Q7

Phone Number

520-668-8099

Page 3: BACKGROUND INFORMATION

Q8

NO

Have you ever been involved in any animal protection issues?

Q9

YES,

Do you have, or have you had in the past, any companion animals that have had an impact on you?

Comments:

All of our dogs and cats have had positive impacts on our family. Our dogs and cats are part of our family. My two daughters have never known life without our pets. They give us unconditional love and we will forever be grateful.

Q10

NO

Do you financially or philosophically support any local or national animal protection organizations?

Q11

Yes

If elected, would you be interested in sponsoring or working on legislation to protect animals?

Page 4: BAN ON CAT DECLAWING

Q12

YES

Do you support legislation to prohibit non-therapeutic declawing of cats?

Page 5: ARIZONA GAME & FISH COMMISSION

Q13

YES,

Do you oppose a process that limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process?

Comments:

This is dangerous and does not serve the best interest of our state. The Commission should reflect our population, not be controlled by special interest.

Q14

YES

Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed?

Page 6: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

Q15

YES

Do you support Arizona's public initiative process?

Q16

If YES, what steps would you take to protect citizen initiatives?

As a public school teacher, I have seen our hard earned initiatives broken down by the party in charge. We must always allow for these initiatives. Our citizens need to opportunity to have their voices heard, and I will protect this right.

Page 7: PUPPY MILLS

Q17

YES,

Would you support repealing the law that preempts cities from banning the sale of dogs from puppy mills?

Comments:

Puppy mills should be outlawed-full stop. We have rescue dogs and that is all we will ever have.

Page 8: ENDANGERED MEXICAN WOLVES

Q18

YES

Do you support keeping Mexican gray wolves in Arizona to help maintain healthy herds of deer and elk?

Q19

YES,

Do you support the protection of endangered species?

Comments:

We are on their land, not the other way around. Endangered species must be protected.

Page 9: FARM ANIMALS

Q20

YES

Do you oppose removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?
