NO

Have you ever been involved in any animal protection issues?

Q9

Do you have, or have you had in the past, any companion animals that have had an impact on you?

YES,

Comments:

We have had several through the years. Every one have had their own personality & have left their mark on my heart. The one that has left the biggest impact was the smallest. We had a Pug puppy that was small, even for a pug. We named him Sprout, We would curl up on my boot to nap. Our vet didn't expect him to survive. I hoped he would but made sure he knew he was loved. He never knew life without pain, but he knew love.

Q10

NO

Yes,
