Q8

NO

Have you ever been involved in any animal protection issues?

Q9

Do you have, or have you had in the past, any companion animals that have had an impact on you?

YES,

Comments:

My husband is a disabled Air Force Veteran. He has a service dog who I trained and taught for her service to my husband. Although her service is to my husband, his career did not have the accommodations for him to take her to work. So I had the honor to have her as a companion dog and one of my best friends.

Q10

Do you financially or philosophically support any local or national animal protection organizations?

NO,

If so, which ones?:

We are a fiscally conservative family that does not have the budget to make financial contributions at this time. I do sit on the Board of Directors for K-911 Paws Foundation. We work to provide support and equipment for law enforcement K-9 units.

Q11

If elected, would you be interested in sponsoring or working on legislation to protect animals?

Yes

Q12

Do you support legislation to prohibit non-therapeutic declawing of cats?

YES,

Comment:

I would need to see more information and understand the overall impact of this legislation before I agree 100% to say yes.
