Page 6: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

**Q15** **YES**

Do you support Arizona's public initiative process?

---

**Q16**

If YES, what steps would you take to protect citizen initiatives?

Citizen initiatives have become corruptible by out of state sources that use the process to instill laws that are almost unassailable by our legislature for out of state gains.

This process needs to be protected both from legislators that do not like it and out of state influences that wish to use it to broaden their own power. As we are an independent state we need to be able to resist outside influences and make laws that are uniquely useful within the state of Arizona.

I would look at ways to do that and protect the citizens initiative.
