scottpodeyn.com

Q7

Phone Number

6238107893

Page 3: BACKGROUND INFORMATION

Q8

NO

Have you ever been involved in any animal protection issues?

Q9

YES,

Do you have, or have you had in the past, any companion animals that have had an impact on you?

Comments:

I have combat related ptsd my dogs are an essential part of my life.

Q10

NO,

Do you financially or philosophically support any local or national animal protection organizations?

If so, which ones?:

I'm restricted by a fixed income that doesn't allow for me to have extra funds to donate.

Q11

Yes,

If elected, would you be interested in sponsoring or working on legislation to protect animals?

Comments:

Our companions that aren't able to speak for their basic needs must be protected as rigorously as endangered species.

Page 4: BAN ON CAT DECLAWING

Q12

YES,

Do you support legislation to prohibit non-therapeutic declawing of cats?

Comment:

Every situation is different. If people declaw because they have expensive furniture then they should reconsider having a cat. Cats scratch because that's what they do by instinct. We can't allow people deny their pets from being what they are because of instincts.

Page 5: ARIZONA GAME & FISH COMMISSION

Q13

Do you oppose a process that limits the voice of a majority of Arizonans to participate in the Arizona Game & Fish Commission appointment process?

NO,

Comments:

Every citizen has the right guaranteed by the constitution to address their government.

Q14

Do you believe that the AZ Game and Fish Commission Appointment Recommendation Board should be repealed?

NO,

Comments:

I need to do more research to make an carefully measured opinion.

Page 6: CITIZEN INITIATIVE PROCESS AND ANIMAL PROTECTION

Q15

Do you support Arizona's public initiative process?

YES

Q16

If YES, what steps would you take to protect citizen initiatives?

The people have the right to voice their concerns. The people are those that we as elected officials must represent.

Page 7: PUPPY MILLS

Q17

Would you support repealing the law that preempts cities from banning the sale of dogs from puppy mills?

YES,

Comments:

To make any animal suffer is just plain evil.

Page 8: ENDANGERED MEXICAN WOLVES

Q18

Do you support keeping Mexican gray wolves in Arizona to help maintain healthy herds of deer and elk?

YES,

Comments:

The wolves belong the cattle are invasive species. I do support a fund to offset ranchers losers to wolves. When the cattle move in the wild prey species leave. The wolves are only doing what every predator does. Go after the easy kill.

Q19

Do you support the protection of endangered species?

YES

Page 9: FARM ANIMALS

Q20

Do you oppose removing farm animals and horses from protection under Arizona's animal cruelty law and placing them under new, weaker laws in the agriculture code?

NO,

Comments:

Animals under human control within corrals to have the ability to move freely. Pigs must be able to at least lay down and get fresh air. Mass overpopulation of livestock is a prescription for diseases.
